✅ Use it for

- 🗂️ Sorting
- 🔘 Yes / no checks
- 📈 Huge volume
- ⚡ Need speed

❌ Not for

- ✍️ Writing
- 💬 Chatting
- 🗣️ Explaining why
- 🧩 Hard reasoning

Be honest about limits

Text only

Remember 3 things

1. Pick the right brain for the job
2. Model answers, code decides
3. Fast first, big LLM if unsure
